

The Moon Through My Window

Music & Lyrics by Mike Bass

Level 1 Song 1

On my ¹⁾ _____ I have my ²⁾ _____,
filled with ³⁾ _____ from all the ⁴⁾ _____s
that I've asked myself from time to time.

Like why is the ⁵⁾ _____ so beautiful
through my ⁶⁾ _____ as I write?

And why does my ⁷⁾ _____ feel like
a ⁸⁾ _____ roaring through the night?

The answer could be as big as a ⁹⁾ _____,
as small as an ¹⁰⁾ _____,
as relaxed as a ¹¹⁾ _____
holding on to a ¹²⁾ _____ branch.

As I play the ¹³⁾ _____, from my living room,

I can see inside a ¹⁴⁾ _____
with a white ¹⁶⁾ _____ in the driveway.

I see another person playing _____,
and outside, kids playing ¹⁸⁾ _____,
lifting the ball into a ¹⁹⁾ _____.

A tennis racket lying on the lawn,
and an ²⁰⁾ _____ perfect for making ²¹⁾ _____.

It started to ²²⁾ _____, so I had to take a train,
so I got out my favorite _____,
and turned off the ²⁴⁾ _____ as watching.

I wanted to bring them something
to make them _____.

So I _____ ²⁵⁾ _____ a ²⁶⁾ _____
and I walked over to _____ them.

The Moon Through My Window

Music & Lyrics by Mike Bass

On my **desk** I have my **notebook**,
filled with **ink** from all the **questions**
that I've asked myself from time to time.
Like why is the **moon** so beautiful
through my **window** as I write?
And why does my **guitar** feel like
a **lion** roaring through the night?
The answer could be as big as a **zebra**,
as small as an **ant**,
as relaxed as a **koala**
holding on to a **tree** branch.

As I play the **piano**, from my living room,
I can see inside a **yellow** painted house
with a white **car** in the driveway.
I see another person playing the **guitar**,
and outside, kids playing **soccer**,
lifting the ball into a **blue** net.
A tennis racket lying on the lawn
and an **orange** tree perfect for making **jam**.
It started to **rain** and I saw a train,
so I got out my favorite **umbrella**,
and turned off the **video** watching.
I wanted to bring them something
to make them smile.
So I went to the **egg** in the **box**
and I walked over to give them.
