

# Opportunity

Music & Lyrics by Mike Bass

Level 1 Song 4™

A <sup>1)</sup> \_\_\_\_\_ flew past my window the other night,  
or at least it was some kind of <sup>2)</sup> \_\_\_\_\_ in flight.  
But to tell the truth, <sup>3)</sup> \_\_\_\_\_ where it was flying to.  
Perhaps to Neverland, Bermuda or the <sup>4)</sup> \_\_\_\_\_.  
And then it stopped at my window <sup>5)</sup> \_\_\_\_\_ began to speak.  
It said, "Would you like to meet my friends, <sup>6)</sup> \_\_\_\_\_ and <sup>7)</sup> \_\_\_\_\_?"  
I thought to myself, "<sup>8)</sup> \_\_\_\_\_ is this and where are we?"  
It all seems <sup>9)</sup> \_\_\_\_\_ complicated, but at least it's <sup>10)</sup> \_\_\_\_\_.

It's my <sup>11)</sup> \_\_\_\_\_ dream.  
<sup>12)</sup> \_\_\_\_\_, but <sup>13)</sup> \_\_\_\_\_ do you think of it?  
It's <sup>14)</sup> \_\_\_\_\_, just try it.  
No need to say <sup>15)</sup> \_\_\_\_\_ to <sup>16)</sup> \_\_\_\_\_.

Now, while we were flying it finally occurred me,  
I hadn't asked this creature <sup>17)</sup> \_\_\_\_\_ its <sup>18)</sup> \_\_\_\_\_ or its species.  
All I knew <sup>19)</sup> \_\_\_\_\_ it was that it had wings and it was blue.  
So I finally asked, "<sup>20)</sup> \_\_\_\_\_ me, but what do they call you?"  
It replied, "<sup>21)</sup> \_\_\_\_\_ do you do? My name is Opportunity.  
My <sup>22)</sup> \_\_\_\_\_ is to help those who have somehow lost their dreams.  
Be it <sup>23)</sup> \_\_\_\_\_ or <sup>24)</sup> \_\_\_\_\_, I can help you <sup>25)</sup> \_\_\_\_\_.  
Give me any <sup>26)</sup> \_\_\_\_\_ and I'll show you where it can lead.

And I said, "<sup>27)</sup> \_\_\_\_\_?"  
It said, "<sup>28)</sup> \_\_\_\_\_, but you have to <sup>29)</sup> \_\_\_\_\_ it yourself.  
It won't <sup>30)</sup> \_\_\_\_\_ on its own.  
It's <sup>31)</sup> \_\_\_\_\_, but it's worth it."

You have <sup>32)</sup> \_\_\_\_\_ to learn,  
but remember to let the <sup>33)</sup> \_\_\_\_\_ within you burn.  
I <sup>34)</sup> \_\_\_\_\_ I plan to see where my dreams lead to,  
<sup>35)</sup> \_\_\_\_\_?  
How about you?

On our way back <sup>36)</sup> \_\_\_\_\_, I looked below and saw a swimming pool,  
among <sup>37)</sup> \_\_\_\_\_ fields, and kids playing <sup>38)</sup> \_\_\_\_\_ after <sup>39)</sup> \_\_\_\_\_.  
I even saw a <sup>40)</sup> \_\_\_\_\_ eating soup with cereal.  
And I looked at Opportunity, and said, "This is quite a world!"

And it said, "<sup>41)</sup> \_\_\_\_\_."  
And you can <sup>42)</sup> \_\_\_\_\_ the change."  
I asked, "When will my future come?  
How long do I <sup>43)</sup> \_\_\_\_\_ to wait?"  
It said, "It's here all the time, just listen to you...I'll listen, <sup>44)</sup> \_\_\_\_\_."
